

2012 Montana History Day

March 24th, Travelers' Rest State Park

National History Day engages youth in the discovery of the historic, cultural and social experiences of the past. Students conduct original historic research and a presentation of an exhibit, paper or performance.

Attend an Information Session for details on:

- Criteria and types of projects accepted
- An overview of the 2012 Theme: *Revolution, Reaction, Reform in History*
- How students can enter the competition
- How teachers can support students to develop their projects
